THE MEXICAN MICHIGAN LINIMENT.—That has been, creating so much excitement in the West and South, by curing all the old, as well as new sores on men and beast has at last got among us. It is said to have no equal in curing rheumatism. It will create great excitement among the doctors, as it is said to be a perfect remedy, and will cure all their rheumatic, scrofulous, and leprous patients. Livery Stable Keepers, as well as teamsters, farmers and all those using horses, will use it, as it is represented as being a sure cure for sprains, ring bones,

spinals, swellings, sprains, poll evil, scabies, scorching, saddle or collar gait, &c. We are told that a man is fit to go about the country buying up all the crippled horses he can find, and healing their sores, and saving them with the Mustang Liniment, and then selling them again; and he makes money by it. We advise all those suffering from sores or pains of any kind to try it. See advertisement in another column.
